## Welcome!

The Planning Committee and I are excited to welcome you to the 4th Annual Midwest Women's Sailing Conference. With our knowledgeable and enthusiastic instructors it is always such an exciting day. The Midwest Women's Sailing Conference offers a wide variety of workshops led by experienced women instructors. The workshops cover a wide range of topics for the beginner to experienced sailor. This is an opportunity to expand your sailing knowledge and meet women who share your enthusiasm for being on the water. I am excited to announce that this year's keynote speaker is Pam Wall. We are again fortunate to share in the insights and experiences of such a prominent figure in the global community of women leaders in sailing. You can read more about Pam on the following pages. Thank you to our dedicated Instructors and Planning Committee for another year of great work. I look forward to seeing you at the Conference!

**Morning/Afternoon Sessions:** Please select the workshops that interest you most to fill the two morning and two afternoon sessions. For planning purposes, select different workshops under "Second Choice" in case your first choice classes are filled.
